

Procedure for the FLIRT-COACHING PACKAGE

After purchasing your IMPROVEMYPROFILE package, you will receive a welcome email with your invoice, our questionnaires, and this flowchart.

After that, we ask you to follow the steps below:

1. WE WANT TO GET TO KNOW YOU

Please send us your completed documents so that we can get a more intensive and better picture of you in a timely manner. At the same time we ask for date suggestions, when a coaching with you would be possible. If you have booked three coaching sessions, we ask you to suggest different dates within two weeks. We can also arrange two hours in a row. We do not recommend three coaching sessions in a row, as experience has shown that this tends to weaken your attention. You are also welcome to prepare for the coaching sessions in advance by writing down your questions or suggestions. Please send the documents to documents@improvemyprofile.de and the suggested dates to coaching@improvemyprofile.de thank you.

2. BECOME THE STAR OF THE ONLINE DATING SCENE

Once you have submitted your interview forms to us and we have evaluated your suggested appointments, you will receive an email with appointment confirmations and information about who your coach/trainer will be. Then you enjoy your sessions and it's learn, learn, learn.

3. ARE YOU READY FOR THE BIG SHOW?

Now is the time, you are more relaxed than ever and the magic can happen. Let things come to you and enjoy the great attention you easily manage on the side. Believe it, your big online dating love is waiting for you.
